

Can you believe that Gardner's Mattress \$ More has been in business for 26 years?! And my daddy has been a part of Gardner's since 2001 and he's owned it since 2011! It's been five crazy years!

I know my daddy works really hard for his customers, so I thought I would help him with his anniversary sale and send you this letter.

He told me it was his 5th anniversary but I remembered for him that Gardner's has been helping Lancaster County wake up happy and pain free since 1990. 26 years is a long time, that's like 5 of me!

So, since it's my daddy's 26-year anniversary sale, I said Gardner's Mattress \$ More should offer most everything in his store for \$26, and he said YES!

Can you believe it?! I even told daddy to sell his box springs and mattresses for \$26, he said no to that one but did say when you buy a new mattress for at least \$499 you can get a new box spring for \$26 and he'll even deliver it for you for just \$26 too!

So I did the hard work, I got my daddy to give you the bestest deals in Lancaster for his store's 26th anniversary sale @ Gardner's Mattress \$ More.

Sweet Dreams, Amelia

PS-I even made you some coupons to use too, they're on the back! And my daddy says this sale ends soon, so hurry in so you can wake up happy and pain free too!
